Proclamation in the Time of Covid:
*Disrupting the Disruption by
Declaring the Dominant Disruptor*
Rev'd Dr Rob Beamish

The social responses to the Covid-19 infection have resulted in the most significant changes to Christian meetings in generations. Many have changed both their pattern and medium of delivery. But what of the content of this continued proclamation? In particular, how have preachers spoken about God and the virus during this lockdown period? This lecture draws on an on-going project exploring Baptist preaching at this time and offers recommendations on how we might continue to 'preach the word in season and out of season.'

The Rev'd Dr Rob Beamish is the minister of Princes Drive Baptist Church, Colwyn Bay. He is the author of *Preaching in a Time of Crisis* (Cambridge: Grove, 2019).

This year's lecture will consist of a recorded 20-minute presentation of summary findings, to be watched in advance of the 1-hour online discussion on Friday 5th June.
